211 Non-Compliance—Board Procedures

211.1 An active Guardian who has not complied with the educational or reporting requirements of GR 23 and these regulations by April 1 of each year, may be decertified by the Board. (Revised 4-9-2012)

211.2 To effect such decertification, the Committee shall send to the non-complying Guardian by certified mail, directed to the Guardian's last known address as maintained on the records of the Administrative Office of the Courts, a written notice of non-compliance. The notice shall advise such active Guardian of the pendency of decertification unless within 10 calendar days of receipt of such notice such active Guardian completes and returns to the Committee a petition, to which supportive affidavit(s) showing undue hardship, infirmity, administrative error, or other good cause may be attached for extension of time for, or waiver of, compliance with the requirements of GR 23 and these regulations, or for a ruling by the Committee of substantial compliance with the requirements.

211.3 If such petition is not filed, such lack of action shall be deemed acquiescence by the active Guardian in the finding of non-compliance. The Committee shall report such fact to the Board with the Committee's recommendations for decertification. The Board shall decertify the Guardian.

211.4 If such petition is filed, the Committee may, at its discretion, approve the same without hearing or may enter into an agreement on terms with such active Guardian as to time and other requirements for achieving compliance with GR 23 and these regulations.

211.5 If the Committee does not approve such petition or enter into such agreement, the affected Guardian may request a hearing on the petition by filing a written request with the Board within ten calendar days of notice of the Committee's decision. The Chair of the Board shall appoint a three-member Review Panel to conduct the hearing. The Review Panel shall enter written findings of fact and a recommendation as to whether or not the petition should be granted. The findings and recommendation of the Review Panel shall be reported to the Board as set forth in the Disciplinary Regulations of the Board.

211.6 The Board shall review the decision of the Review Panel and the Board shall thereafter enter an order either granting or denying the Guardian's petition. If the Board denies the petition, the Board shall decertify the Guardian. A copy of the Board's decision shall be transmitted by certified mail to the active Guardian affected at the address of such member on file with the AOC. Any such order shall be final. The members of the Review Panel shall not participate in the decision of the Board.

Guardianship Program Rules

212 Reactivation of Inactive Members

A person whose certification is inactive shall not be required to take continuing education course during the period of inactive status. A person who wishes to reactivate his or her certification shall successfully complete continuing education credits for the year immediately preceding his or her reactivation. A person desiring transfer from inactive to active status must comply with the applicable rules and procedures of the Board pertaining to such change of membership status, including the filing of an application with the Board in such form as is prescribed by the Board. The Board shall determine whether such application shall be granted. Compliance with GR 23, the Regulations adopted by the Board in respect of application and certification, and these regulations is only one factor.

Guardianship Program Rules

213 Exemptions

(Amended 3/8/10).
